FINAL STEEL JOIST to be produced at the Laclede Steel Co. plant in Madison was manufactured Friday at the local plant. Steelworker Joseph Lapinski, a Laclede employee since 1936, is shown welding the last joist to be produced by the company. After 40 years of joist production, Laclede discontinued it due to high production and a declining market.

New Grade School May Be Last--for a While

By VALERIE EVENDEN

Press-Record Staff Writer
Areas from which students will be drawn to populate the new Schaefer site elementary school, now under construction on Old Alton Road, and a comprehensive redistricting plan for the Pontiac Beach-Mitchell region were outlined last week to the Granite City Board of Education and Thursday night to the Granite City Area Council of Parent-Teacher Associations.

Board members agreed to hold a series of explanatory meetings at schools involved in the redistricting proposal to afford parents an opportunity to learn details in depth and discuss the plan with school administrators.

A third proposal for reassigning students under an assumption the Wein school site would be utilized as an elementary

school building, also was part of Monday night's presentation. The latter plan evoked little comment from board members, who earlier heard a proposal that the new Wein tract structure—to be built in the area of Bowland, Namooki and Maryville Roads be redesignated as a high school or junior high facility, rather than a combined grade and junior high as initially planned.

Krauskopf, Zellerman and Epping Families Early St. Elizabeth's Parishioners

Granite Cityans on Aug. 21-28 will mark the city's diamond jubilee and the park district's 50th anniversary. This is the thirtieth in a series on local history.

The previous article told of the business boom here at the turn of the century. Today's article is one of two which will trace the history of St. Elizabeth parish, oldest Catholic parish in Granite City; it is marking its 100th anniversary this year.

At the beginning of the year 1871, the Rev. Christopher Koenig of St. Henry's Church, East St. Louis, made arrangements to build a 40x70-foot building for \$4,000 at Mitchell. The cornerstone was laid on Oct. 1, 1871, marking the birth of St. Elizabeth's parish.

Eighty years later, the Rev. Lawrence Mattingly came to Granite City. He started by acquiring a site in the spring of 1933.

In 1935, the parish arranged for a new brick building to be erected at the Pontiac Road site—this one a school—at a cost of \$167,000. This aggressive priest kindled the fire of expansion, and the fire is still burning strongly.

To have a thorough analysis of a parish you must start with a brief summary of facts about the diocese of which the parish is a part.

St. Elizabeth's parish comprises one of the 143

Air Pollution at Many Points During Steelmaking Process, Witness Asserts

Professor Erwin C. Hoelscher, technical secretary of the Granite City Air Pollution Control Board, gave testimony critical of Granite City Steel Co. as the only witness heard Thursday at Illinois Pollution Control Board hearings at the City Hall.

The day's deliberations ended a three-day initial session on air pollution charges against the steel firm.

The hearings will continue at 9:30 a.m. Tuesday, June 1, in the courtroom of City Hall. Subsequent testimony,

if necessary, will be heard June 2, June 10 and 11 and June 17 and 18. All sessions will begin at 9:30 a.m. and conclude about 6 p.m.

Hoelscher said Thursday that from 1968 to the present his department has received 20 citizen complaints on discolored house paint.

He introduced a petition into evidence with 500 signatures of persons complaining about pollution which they said came from GC Steel.

Herbert Caplan, the prosecu-

tor, questioned Hoelscher about the steelmaking process in general and specific processes which produce pollution in steelmaking, a line of questioning objected to repeatedly by John Sullivan, a defense lawyer.

Hearing Examiner Samuel Lawton Jr. overruled a majority of the objections until Sullivan finally asked if he could submit a "standing objection" to the entire list of questioning.

Thursday afternoon was filled with arguments be-

tween the attorneys and objections. Imogene Helm, court clerk, quipped, "This is the most objectionable hearing I've ever been in."

The Granite City pollution official described steelmaking and related each point directly to GC Steel.

He listed the first source of pollution as the reduction of coal to usable size, releasing coal dust into the air.

Processed coal is dumped into coke ovens, and when it touches the sides of the hot ovens, heavy

smoke and fire results; the process, he explained, is called charging the ovens.

"If the oven doors are not completely closed, gases from the coal escape into the atmosphere," Hoelscher said. "I observed this at Granite City Steel at least twice a month," he asserted.

Coal is then leveled in the ovens with a large bar, and smoke and hydrocarbons escape through the hole where the bar is introduced, he said, adding "This I have observed on numerous occasions."

After coal has been reduced to coke and most of the gases have been driven out, the coke is pushed into a car for transportation to a quenching tower, the witness said. When coke oven doors are opened for the "push," smoke, carbon particles and a high thermal plume escape into the atmosphere, he added.

When asked about a "green push," Hoelscher said the term refers to pushing the coke from the ovens before all gases had been driven out. "What happens to the smoke in a green push?" Caplan asked. "It's much heavier, air," the witness answered. He said that when coke is transported in an open car to the quenching tower, great quantities of water are poured on the burning matter to extinguish the fire.

"In quenching, when the water hits it, a major portion turns into steam, carrying fine coke particles up with the steam plume," Hoelscher said.

Returning to the operation of the coke ovens, the prosecutor asked about gases driven off the coke. Hoelscher said the majority is fired back into the ovens, between the oven walls.

"The products of this combustion then leave through tall chimneys," he said.

"If the combustion is incomplete, smoke and gases are released from the chimneys," he said. "If he had seen this type of smoke at GC Steel, he replied, 'Yes, I have.'"

The witness said in a sintering plant, coke, iron ore and dust are placed on a conveyor belt and are fired until they merge into larger, hard particles which can be placed in a blast furnace. Exhaust gases can contain iron oxide dust, he said.

Asked if he had ever seen such red dust emitted here, Hoelscher replied, "Yes, I have seen it at 8:30 this morning. I have similar observations every time I have come here, which is almost weekly since 1968, with three exceptions."

Despite repeated objections by Sullivan, he introduced letters and minutes from air pollution board meetings in which

Dunbar Improvements Sought

By GARY SCHNEIDER

Press-Record Staff Writer

Twelve representatives of the Dunbar School parent group presented the Madison School Board Thursday night with a list of school repairs that they said should be completed before school opens next fall.

The parents were heard in the board offices immediately preceding a monthly school board meeting.

The regular meeting was scheduled at 7:30 p.m. but did not begin until 9:10 p.m. because of a recent inspection

A report of a recent inspection by the parents said, "There has been significant damage to the foundation and walls at Dunbar due to settlement. This will increase the wall cracking, probably to the extent that the stability of the walls will be affected."

Shower Facilities Bad

The group told board members that shower facilities in the school are such "that you wouldn't take a shower there and you can't expect the kids to either." They suggested three new shower outlets, with the present facilities enlarged or replaced. The floor in the shower stalls should be replaced and new compartment stalls provided in all restrooms and shower rooms, the group requested.

The parents questioned whether Dunbar is structurally sound and said many parents were apprehensive about sending their children there. They said the roof is leaking, including the gymnasium and several classrooms.

They suggested three new shower outlets, with the present facilities enlarged or replaced. The floor in the shower stalls should be replaced and new compartment stalls provided in all restrooms and shower rooms, the group requested.

The 12 sewing machines in a

home economics classroom are out of order, according to the parents, and should be replaced before fall. They also suggested that new cooking utensils be purchased and all controls on gas and electric ranges be repaired.

The report cited problems with plumbing and heating at the school, including insufficient hot water for the shower rooms, poor heat due to a lack of thermostats and missing caps from thermostats in several rooms.

Walls Need Painting

"The classroom walls were found very dirty and in need of repair and painting," the report said. "All classrooms had window shades that were broken and nailed to the walls and were too small for the windows. Ceiling tiles were falling and electrical fixtures were loose from the walls."

Chesler L. McManaway, board president, told the parents the report will be submitted to the board for consideration at the next monthly meeting. If they wish to be heard at that meeting they will have to go through regular channels to be placed on the agenda, he noted.

This response disturbed some of the parents, who sought an immediate answer on what action can be taken to solve the problems outlined.

McManaway said he could not speak for the board and ended the meeting.

On the prepared agenda of the board meeting which followed were two of the items listed in the parents' report: purchase of new sewing machines and a request by Dunbar principal Bernard Long for \$200 from the board to be matched with \$200 from Dunbar School for new cloth shades in the gymnasium-auditorium.

The board voted to provide the funds to Long for the shades if he could find shades for \$400. The issue of the sewing machines was tabled for further study. Sewing machines priced by the board were \$209 each and eight to ten are needed to fill immediate needs.

Steel Joist Production Ends Friday

At 1:30 p.m. on Friday, the last steel joist to be produced at Laclede Steel Company's Madison plant came off the fabricating line.

It was a size 12x6 joist, 20 feet, seven inches long, headed for installation in a hospital building in Norristown, Pa. This ended over 40 years of joist production at Laclede Steel Co.

Reinforcing bar production will continue at the Madison plant.

The company had told customers April 14 that it was discontinuing the manufacturing of steel joists because of high production costs and a declining market. Work continued until Friday on the backlog of orders.

Laclede entered the joist business in the early 1930s and for several years shipped an average of nearly 5,000 tons of joists each month.

A high point in joist operations came in 1969, when over 300 employees were regularly employed at the local plant in the fabrication and shipment of joist products.

Modern, High Quality

In spite of the fact that the joist business had been in existence and Laclede's modern

Parade of Flags, Special Services to Mark Memorial Day in Quad-City Area

The annual Disabled American Veterans' "Parade of Flags" honoring deceased veterans, and special services at the Granite City hall by the Sarah Jane McEwers Tent No. 90 of the Daughters of Union Veterans, will highlight Memorial Day services in the Quad-City area Sunday, May 30.

The DAV again will post the flags in Memorial Park, N. 12th and Madison Avenues, following a parade in which Girl Scouts and Boy Scouts will carry the folded flags from the DAV Hall on 19th Street to the line of march by Marine

and Air Force Color Guards and representatives of veteran organizations.

Mrs. Irene Hoelter, DAV Auxiliary Department Commander, will place the Purple Heart wreath.

DAV, Amvets, VFW and American Legion members and their auxiliaries will post the colors at the park with all flags flying from 11 a.m. to 6 p.m. A bugler from the Granite City High School will take part in the activities.

Explorers to Patrol

Jim Tapp will sing the National Anthem and a firing squad will be provided by Scott

Air Force Base. Explorer Scouts will patrol the park during the day.

The Memorial Services at city hall will begin at 9 a.m. A flag ceremony followed by a moment of silent prayer and invocation led by Lieutenant Donald R. Noyes of the Salvation Army will be held.

Alderman Paul Rutledge will give the welcoming address, representing Mayor Donald

Partney. Veterans organizations will then place a memorial wreath, and taps will be played.

Mrs. Gussie Cheatham is general chairman of the services.

Paper was first made by the Chinese nearly 2000 years ago when it was used to make a crude paper for the Emperor Ho Ti, from mulberry bark, tow and old linen. The Chinese kept their secret art of paper-making for over 600 years, until the Arabs raided the Chinese mainland in about 750 A.D. They captured some of the Chinese paper-makers when they forced to teach them the paper-making process. The Arabs discovered better and speedier ways of manufacture and finally introduced paper into Europe in about 1200 A.D.

Scott Urges Authority for State-Wide Grand Juries

Attorney General William J. Scott is urging passage of legislation drafted by his office to legalize state-wide juries to probe multi-county crimes.

Deputy Attorney General Waldo Ackerman, formerly the State's Attorney of Sangamon County, testified last week before the House Judiciary Committee in Springfield on behalf of the legislation (H.B. 2578) proposed by Scott.

The new legislation will give the Attorney General the right to petition the presiding judge of any division of the appellate court in the state for authority to convene a state-wide grand jury to investigate crimes involved in more than a single county.

Scott's bill also provides that the Attorney General shall prosecute indictments returned

by such state-wide grand juries. Scott stated that passage of H.B. 2578 will give the Attorney General a much-needed tool in the fight against organized crime.

Crimes Overlap Boundaries. Scott said that the various facets of organized crime, including gambling, prostitution and distribution of drugs usually overlap county lines, and that prosecuting authorities, especially in smaller counties, are often frustrated by county-line jurisdictional limitations.

Scott pointed to the multi-county involvement in the Paul Powell matter as another example of a case in which concentration of prosecution in a single state-wide jurisdiction would provide a means of effective prosecution.

Grand Jury Sees Drug Squad Need; IBI Commended

The Madison County Grand Jury in its outgoing report recommended that the county proceed with plans for a narcotics squad.

The jury suggested Thursday that the drug problem be given the highest priority as it is becoming more acute each day, and that efforts to obtain federal grants be increased. "It added that the lack of federal funds should not hinder the formulation of the squad."

Jurors commended the Illinois Bureau of Investigation "for the excellent manner in which they are attacking the drug abuse problem in Illinois. The investigations and presentations which they have presented to this body have been excellent."

The IBI was in charge of recent local drug raids in which 28 persons were taken into custody.

The jury was critical of lack of cleanliness at the county jail and suggested that if it cannot be painted more frequently, occupants should wash down the walls. Jurors found that basic facilities at the jail are totally outdated and should be replaced.

The jurors found that the county courthouse is in need of immediate and thorough house cleaning and recommended that members of the custodial staff be more closely supervised.

An investigation in the delay of completion of remodeling of the county tuberculosis sanatorium into a nursing home should be conducted, the jury reported.

It said past Grand Juries were assured that the job would be completed not later than January 1971.

Steel Joint

is generally considered one of the best designed joints available, the decline in profitability of the product has been steady in recent years.

A Lacke Steel spokesman explained that the average monthly shipments has dropped to 700 or 800 tons per month over the last six to eight months and the number of joint department employees was necessarily reduced to about 45.

In his report to stockholders dated March 25, President Paul B. Akin had sounded a warning note: "One department that did poorly from a profitability standpoint was our joint fabricating facility."

"Competition in this high labor product from manufacturers with lower wage rates than Lacke's has driven the price of steel joints down to 1957 levels."

"We have accordingly reduced our joint sales in the last two years to a point that they are now an insignificant part of our production. If the profitability of this product line cannot be improved soon, we may discontinue the fabrication of steel joints."

It happened at 1:50 p.m. Friday, May 21.

R "The Cost of Living Is Down"

Ordinarily making the above statement would leave us open not only to strong criticism but also to doubts about our sanity. However, what we mean is — "The cost of staying alive," is down. And, this is very true. Hospital stays are usually very short, even for surgery and childbirth, compared to just a few years ago.

Another reason the "Cost of Living" is down is that the new medicines that we are now stocking in the pharmacy are more potent and more specific. This means that with most illnesses your doctor can prescribe drugs that will help you recover faster and less time from your regular work routine. We anticipate that the cost of staying alive will continue to decline.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

MORE ABOUT

Krauskopf

church on as far north as Wood River.

The first Mass celebrated within the present limits of St. Elizabeth's parish was celebrated in the Corbett home on Chouteau Island, during the observance of Christmas, 1876, by the Rev. Francis H. Zebel, D.D., of St. Patrick's Church of St. Louis.

About 20 families from Chouteau Island and the surrounding area attended the service.

When Rev. Koenig of St. Henry's made arrangements for the brick building to be erected at Mitchell, the first subscription taken amounted to \$3,000.

Plans and specifications were drawn up, and Michael O'Connor accepted the contract for \$4,900.

On Oct. 1, 1871, the Feast of the Holy Rosary, the cornerstone was laid by the Rev. Fr. Mohr, rector of the Alton Catholic Church.

In its early days, St. Elizabeth's was a mission attended by Rev. Fr. Koenig.

The first child to be baptized in the new parish was Francis H. Zebel, son of Joseph and Mary Ditzel Hackett.

At this time other prominent parishioners included Rev. Fr. Koenig, the Krauskopfs and the Zelmans.

On Oct. 16, 1872, Joseph Koenig and Mary Ditzel Hackett had the honor of being the first couple married in the new church.

On Aug. 31, 1875, Daniel Montague and Anna Cahill were united in marriage.

In 1877, Fr. Koenig resigned and was replaced by Fr. Lubert Reisen. During that same year, two leading citizens of the parish—Eva Herman, 18, and Joseph Hackett at the age of six.

Fr. Tecklenberg succeeded Fr. Reisen, and attended the Mitchell church from Alton, where he resided.

On Feb. 20, 1879, Bernard Meinerding and Margaret Zelmans were married. They were the grandparents of Mrs. Lena Troeckler and Mrs. Mary Frizzell.

Fr. Tecklenberg died in 1879 and Fr. Spaeth took over in January 1880.

Two deaths in early 1880s, it is recorded that an old German wood-carver came through Mitchell. He stayed a year, carved the St. Elizabeth statue from one block of wood, and made a bench, formerly used in the sanctuary of the Mitchell church.

St. Elizabeth's is regarded as fortunate to have the two works of art. Today, wood-carving has become almost a lost art.

Next, Fr. Peter Kaenders arrives.

Free Ear, Eye Testing Clinic is Successful

The second largest number of pre-school-age children from area communities to be tested at a hearing and vision diagnostic clinic, conducted by the Special Education (Title VI) Diagnostic Center, was recorded last week at a free screening program at Niedringhaus United Methodist Church.

The vision and hearing test survey was sponsored by the Granite City Junior Service Club in cooperation with Mrs. Joan T. Koss, coordinator of screening services from the Diagnostic Center.

Mrs. R. M. Eddington, chairman of the Junior Service committee which arranged the clinic, said retesting of several youngsters who participated in last week's clinic has been scheduled from 1 to 3 p.m. Wednesday at the same location.

Facilities in the church's nursery area were made available to the pre-schoolers who underwent the testing program, the chairman reported.

Many favorable comments were received from parents whose children took part in the screening last spring—the first time such a project was held in the community—and returned this year for reevaluation, Mrs. Eddington said.

**Guard Approved at
Mitchell Crossing**

A crossing guard will be provided at Mitchell School starting this fall, the Granite City Board of Education decided at its meeting last week.

Board members learned that Mitchell Principal A. E. Menendez presently is supervising the student crossing during the morning and afternoon crossing periods, and student patrols working under supervision, are on duty at the noon hour crossing time.

Supt. of School B. J. Davis said the Mitchell principal will continue to supervise the crossing in the same manner through the remainder of the current school term.

The administrator recommended hiring a crossing guard who would be bonded, deputized and paid at school district expense.

He suggested the individual to be hired could either be a staff member or faculty member at Mitchell School, who would be compensated for the additional duties, or a person not connected with the district.

Supt. Davis noted that one faculty member has indicated interest in handling the crossing supervisory task next year. A traffic control light seriously damaged by a motorist, still in operation at the Mitchell site, he reported.

George Wilkins Sr. Ending 48-Year Career in Education

Colleagues, friends, and students will honor George T. Wilkins Sr., former state superintendent of public instruction, at a banquet June 9 at 6:30 p.m. in the University Center Ballroom at Southern Illinois University-Southwestern. Wilkins is a professor of education at SIU-SW and has spent 48 years in educational service to the people of Illinois.

Wilkins said he will "take a year of Sundays and maybe even Mondays," when he retires Sept. 1. He plans to spend the winters in a warmer environment.

A factor in considering retirement Wilkins commented thoughtfully, "was the day I was bundled up in my warmest garb and noticed students on campus were in shirtsleeves."

Wilkins has served the people of Illinois at every educational level from classroom teacher in the rural schools of Union County through state superintendent.

He has served as city superintendent of schools in Wolf Lake, Thebes and Madison, as Madison County superintendent of schools, and was Superintendent of Public Instruction for Illinois from 1969 to 1983.

He was exposed to the teaching profession early in his life in Anna through an older brother who taught school. Wilkins recalls reading his brother's books which helped him to pass the teacher examination after high school graduation, even though he had been warned that the test would be too difficult for him.

Learned a Lesson
He learned a lesson in determination from that experience, especially since the dictator and other top students failed the exam. It was with this determination that he signed his first teaching contract at \$70 a month at the Barringer School near Anna in 1923.

He served as his district superintendent from 1923-1943. Wilkins served as teacher, coach, principal, and superintendent of schools in southern counties of Illinois. In 1943 he made his way to the Metro-East area and became superintendent of schools for Madison County Community Unit District #12, Madison, serving until 1947.

From that position, he was elected as county superintendent of schools in Madison County. While county superintendent, Wilkins and a group of citizens worked to establish an institution of higher education in the area. This need was met when Southern Illinois University-Southwestern became a reality with its Alton and East St. Louis centers. Wilkins was elected superintendent of public instruction for the State of Illinois for a four-year term in 1969.

In 1967, Wilkins was commended for his state service by Ray Page, who was then state school superintendent. Page lauded Wilkins for developing and implementing a new school accounting system, passage of legislation requiring annual fiscal audits for school districts, raising the standard for certification of teachers and requirements for administration and supervision, continuation of his predecessor's reorganization of Illinois school districts, and emphasizing establishment of junior colleges in Illinois by appointing a fulltime director.

One Year Required
Wilkins recalls that teachers were only required to have one year of college in order to become certified in 1969.

In addition to his many responsibilities as county superintendent for 12 years, Wilkins served as an associate professor at Shurtleff College in Alton for eight and one-half years and at McKendree College, Lebanon, and Monticello College in Godfrey for two years and six months respectively. He was a lecturer at SIU-SW for one year, 1967-68.

After serving as state superintendent, Wilkins returned to SIU-SW as associate professor on the educational administration faculty and serves as a coordinator to the University's Regional and Urban Development Studies and Services staff. He is now a professor of education in the graduate program of the Education Division.

He earned the bachelor of science degree from SIU-Carbondale and the master of arts degree from the University of Illinois, with additional graduate work completed at the University of Michigan and SIU. An honorary doctorate degree was granted him by McKendree College.

Taking a long look at a half-century of education in the State of Illinois, Wilkins feels that educational philosophy and teaching methods are returning to where they were when he started.

He commented on the cycles

FAMILIAR FACE ON CAMPUS. George T. Wilkins Sr. is pictured at SIU-SW with a student, Vicki Roberts of Godfrey.

that education has gone through with emphasis on extra-curricular activities in the 1920s, the socialized curriculum of the 1930s and the gradual influence of science during the war years. With Sputnik came the crash programs in scientific training he says.

An authority on school law and school board administration, Wilkins foresees greater federal intervention in education if teachers and negotiators for both the board and unions do not become accountable to each other and the taxpayers.

Served Illinois Commissions
He has been a member of the last seven Illinois School Problems Commissions and was appointed to the Governor's Advisory Council in 1970.

Wilkins has served in leadership positions in the American Red Cross, the Post-War Planning Commission, the YMCA, the National Foundation for Infantile Paralysis, the Chamber of Commerce, and the Eastern Seal Society of Southwestern Illinois. He also is past district governor of Rotary International.

A religious and education leader, Wilkins holds in high esteem his participation in the Boy Scouts of America and has been awarded the Silver Beaver, a coveted Boy Scout award.

Professor Wilkins is listed in "Who's Who in the Midwest," "Who's Who in American Education," "Who's Who in America," "Who's Who in International Register," and the "National Register of Prominent Americans." Tickets for the banquet honoring Wilkins are \$6 each and are available through the conference office of SIU-SW.

St. Louis Car Division is the largest builder of rapid transit and commuter cars in the nation.

Mr. Matheis has been manager of sales and services for the division since 1970. Prior to this, he was a senior marketing representative for the Transportation Division of Westinghouse Electric Corp., Pittsburgh, Pa.

Mr. Matheis is a member of the American Society of Mechanical Engineers and the Institute of Electronics and Electrical Engineers. He is also a member of Tau Beta Pi and Pi Tau Sigma, engineering fraternities. A graduate of the University of Illinois, he is 40 years old, married and has three children.

New Bill Requires Vision Examinations

The Illinois House Committee on Registration and Regulation has passed a bill, 14 to 0, which would make thorough vision examinations mandatory for children at the kindergarten, fifth grade and ninth grade levels.

The bill, HB-2033, is described by its supporters as "a long overdue move to elevate the status of vision examinations in the school code to the level currently provided for physical and dental examinations."

"The bill is a real breakthrough for thousands of kids because it will provide for the detection of reading-and-learning related vision problems for the first time," explained Fred Marvin, executive director of the Vision Conservation Institute, one of the backers of the bill.

Marvin said current school code provision calls for only cursory eye examinations given at the time of physical exams. "In most instances, such examinations are limited to the use of the familiar Snellen letter chart," he explained. "The fallacy of such an examination is that it tests each eye separately at a distance of 20 feet."

Special Nameoki Meet

A special town board meeting to consider an amended budget and appropriation for the township highway department will be held by the Nameoki town board June 14. It was announced today. The meeting has been called one-half hour before the regular meeting scheduled at 7 p.m. on the same date.

Survivors include two brothers, Charles and John Huth, both of Milwaukee, Wis. Funeral arrangements are given in today's obituary column.

STUDENT HISTORIAN. Illinois Governor Richard B. Ogilvie (left) presents a Student Historian of the Year award to John R. Pierson, 16, junior at Granite City High School. The presentation took place in ceremonies at Springfield when 26 teenage historians from 20 communities throughout the state were honored. He is the son of Mr. and Mrs. Robert L. Pierson, 7 Fairway Estates. The awards are based on excellence of articles published during the school year in "Illinois History," magazine sponsored by the Illinois State Historical Society.

Starfinders Group Names Committees

Starfinders Children Theatre, sponsored by the Frohman School PTA, held its annual business meeting last week at the school.

William Snedcor, sponsor coordinator and vice-president of the PTA, presided at the meeting. New committees were appointed. They include Mrs. Dixie Griffin, chairman and Mrs. Olga Tarpo, Mrs. Lillian Rogac, Eddie Szczepanik, Cheryl Hopper and Debbie Herman, By-Laws Committee. Mrs. Debbie Campbell, chairman, with Mrs. Maxine Borchers and Annette Tarpo, will serve on the planning committee.

New ideas were discussed for future productions and fund-raising campaigns and will be introduced at the next meeting by the By-Laws Committee. Also discussed was the most recent production of "Rags to Riches" directed by Mr. and Mrs. Henry Lamb and held at Nameoki School on May 14-15.

Mrs. Hanne Survivors

Survivors of Mrs. Nellie P. Hanne, who died Thursday at St. Elizabeth Hospital, include her husband, Floyd Hanne, a son Ralph Hanne and four brothers, Benton Dickerson of Granite City, Millard Dickerson of Collinsville, John Dickerson of St. Charles, Mo., and Jess Dickerson of Piedmont, Mo. and three grandchildren.

Karen Reisinger Named All-Illinois Swimmer

Karen Reisinger, 14-year-old nationally known swimmer from Granite City, yesterday was named to the Illinois All-State swim team by the Illinois State Swim Assn. in Chicago.

The All-State squad is composed of the top five women swimmers in Illinois.

Others selected to the team are Sharon Webman, 200-meter breaststroke champion in the 1988 Olympics, Linda Kowalczewski and Anne Frazer, as students at Lake Forest College, and Snadra Bucha of Hinsdale.

Karen, an 8th grade pupil at St. Joseph Parochial School, has consistently defeated the top women swimmers in the midwestern states.

The past two years she has qualified for the national championships of the Amateur Athletic Union of the United States (AAU) and the National YMCA Swim Championships for Women.

The local girl has earned gold and silver medals in the AAU Junior Olympics and national YMCA meets and is a triple Illinois state champion in women's competition.

Several nationally-acclaimed swimming coaches have predicted that Karen will be selected to represent the U.S. on the next Olympic swim team. She is the daughter of Mr. and Mrs. Herbert Reisinger, 2242 State St.

Trojans End Season, Lose Conference Meet

The children of Madison High School hung up their track shoes on an unhappy note Thursday after having placed last in the six team Midwestern Conference meet at Roxana to end their season.

The host squad won the event with 56 points. Highland had 49, Triad 40, Dupu 38, Bethalto 37 and the local Trojans 20.

Coach Charles R. Stepien said after the meet, "There were some very encouraging things about the meet as we won the mile relay and came in second behind Dupu by only two seconds in the 880-yard relay. If only Chandler had been in top shape, one man could have made all the difference."

Chandler has been out of action since pulling a hamstring muscle in mid-season. Before the injury he had been responsible for almost half of Madison's total points.

Stepien gambled Thursday by putting the runner in the position of the 880 relays, a risk that paid off with second place in the event in 1:38.2. Madison's best time of the year, Bobby Simms, John Newsome and Mike Turner preceded Chandler in the event.

Turner, Bill Foster, Larry Evans and Emory Wilson turned the mile in 3:37.4, coming in first.

Henry Rhodes claimed second in the shot put and third in

Cougar Athletic Banquet Today

Fans at Tri-City Speedway Treated To Exciting Racing Program Friday

Jerry Camfield of Argentina was the winner of a close and exciting super sprint feature race at the Tri-City Speedway Friday night, one car length ahead of Bobby Jones of Danville, who kept the pressure on the entire 20 laps.

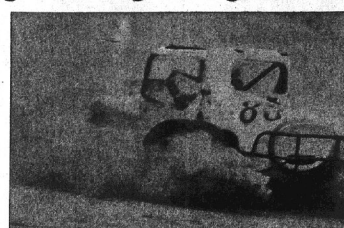

No. 3 sprinter several times in efforts to pass.

The race was marred three times by accidents which brought out the yellow flag.

On the eighth lap, Rick King of Decatur, who had far from a perfect night, spun in the third turn and required a push truck to restart his engine.

Four green laps later, Gary Scott of Holt Summit, Mo., lost control of his sprinter in the fourth turn and hit the inside wall.

On the 17th lap, Ronnie Franklin of High Ridge, Mo., lost control of his sprinter in the second turn, hit the outside wall and spun in front of the unlucky turns, hit the outside wall and spun in front of the unlucky king.

A BAD DAY. Friday's race at the Tri-City Speedway was less than perfect for rookie driver Rick King of Decatur as he spent a great deal of his time stopped along the railing, following two spin-outs in the feature race and one in the semi-feature event. A fast but slippery track was responsible for numerous mishaps throughout the evening's program.

A fast and slippery track was restarted and finished the responsible for numerous accidents.

Incidents including a three-car what was billed as the race smashup in the second turn to determine the "King of the when Russ Hubbard of Slater, Stockers" at the track, a baton feature event. A fast but slippery track was responsible for numerous mishaps throughout the evening's program.

Heights and a new Camero Hubbard said that Cramblett chaffed with W. Spalding of the front suspensions of both hot laps forcing him out of the autos were demolished. Spun-program.

He bumped one of the trip. Spalding entered both the sled vehicles but was able toouper sprint and stock classes,

finishing fourth in the sprinter and second in the new Camero despite a crash in the first turn on the 11th lap, when he ran into the rear of the auto of Mike Glass, who was running one lap behind.

Spalding was in second place at the time behind Clete Blackwell. A red flag was dropped and the race was restarted. On the restart Spalding jumped into the lead and discovered on the first turn as Blackwell passed him on the inside that the new 441 Camero had no brakes.

Afraid to Pass

Spalding held second behind Blackwell the remainder of the 15-lap event, afraid to pass without brakes. Bobby Stanton finished third and Louis Jansen was fourth.

Qualifications were resumed Friday night and Roy Hubbard recorded the fastest one-half mile qualification lap in 23.75 seconds. The track record of 23.47 seconds is held by Dick Sutcliffe of Kansas City, Mo. Don Carter's No. 42 stocker had the fastest qualification in that class with 28.36 seconds.

Next week's race may be one of the best of the year as about 45 stock cars and 30 sprinters are expected to compete. A higher purse for the stock drivers is drawing an increasing number of cars on that class to the Tri-City Speedway.

McLean Appointed to County Review Board

Don McLean, Edwardsville Democratic chairman, was appointed by the circuit judges Thursday to a two-year term on the three-member Madison County Board of Review, which makes final property assessment decisions.

A retired Shell Oil Co. personnel department employee, he succeeds Frank Rissi, 73, Collinsville Democrat, who is retiring effective June 7. Others on the review board are Howard Sparks, Wood River Democrat, and County Board Chairman Harold Landolt, Alhambra Republican.

Scout-O-Rama Falls Victim to Weather

The Boy Scout Scout-O-Rama held Saturday at the Ice Rink in Wilson Park fell victim to the cold rain, with a turnout to see the hundreds of Cubs, Boy Scouts and Explorers perform their skills.

After several units set up their booths Friday night, winds during the night blew down virtually all of them.

In the true spirit of the "show must go on" the scouts and leaders rebuilt the displays early Saturday morning, only to have the rain reduce the attendance. The show continued as scheduled until the 8 p.m. closing.

Arrested in Canoe Theft

Larry Willoughby, 25, of 638 Jefferson Ave., was charged with theft after a 17-foot canoe valued at \$225 was stolen from the Granite City Boat & Motor Co., 24th Street and Madison Avenue, it was reported at 7:20 p.m. Thursday.

The arrest was made by Venetia police, who held him on a charge of theft of 27 cases of beer Wednesday night from Scoville's tap room in National Stockyards.

Blair School Burglary

Burglars broke into Blair School, Venice, during the weekend and took two movie projectors and a typewriter. The break in was reported to police at 6:50 a.m. today. Entry was gained by breaking a window to the school office. The burglars also entered the teacher's lounge where the projector was taken. The kitchen area was broken into and several small cartons of chocolate milk taken. The milk was poured in the school hallways.

Backs Into Auto

An auto driven by James Douglas Howell, Rural Route Two, backed into the rear of the auto of Patricia A. Wilson, 2249 Waterman Ave., which was stopped on a parking lot at Nameoki Road and Clark Avenue at 10:15 p.m. Saturday.

Hit-and-Run Accident

The left side of the auto of John Becker, 2175 Robert Ave., was struck by a hit-and-run driver while it was parked at the Tri-Mor Bowl, it was reported at 11:45 p.m. Saturday.

Stereo, Tapes Stolen

A stereo and three tapes were stolen from the auto of Robert Peacher, 2140 Dawn Place, he reported to Madison County authorities at 8:30 p.m. Friday.

Air Pollution

citizens had complained of damage to their homes from pollution. Hoelscher testified that in February 1970, he examined several houses on East 25th Street a half-mile north of the Blast Furnace Division and found that paint on the houses had turned gray.

He said tests were positive indicating the paint had been damaged by a hydrogen sulfide attack.

When asked if the hydrogen sulfide could have come from other sources, Hoelscher said, "Lagoons, ponds and sewers produce hydrogen sulfide, but they would be unable to do this."

Prather JHS Band Concert Thursday

The 62-member Prather Junior High School band will present its 11th annual "Spring concert" at 8 p.m. Thursday in the school gymnasium under the direction of Miss Elsie Maylath. Admission will be free and the public is invited.

A program of special selections will include, "Bandology" concert march; "Warwick," a festival piece; highlights from "Fiddler on the Roof"; "El Alamo," "Spanish March"; "Patrol 76"; "Sylvan Overture"; "Instant Concert," a novelty number; theme from "Love Story"; and "P. S. I Love You."

Also featured will be special numbers by band students who received first superior ratings as soloists and ensemble members in class competition at the 1971 district and state contests.

Former Commander Expects Rebirth of GC Army Depot

"I feel sure that this Army installation will experience a rebirth in a slightly different form—serving our country and providing an economic asset for our metropolitan area."

This prediction was made at the annual Tri-City Chapter, American National Red Cross, dinner meeting Thursday night at the Granite City Army Depot by Col. Charles B. Schweizer, guest speaker.

Currently assistant director of the Southern Illinois University Foundation, the speaker

initially served at the Army Depot in 1944 and was the commanding officer here from 1964 to 1966, when he retired. He was St. Louis district engineer of the Army Corps of Engineers from 1957 to 1960.

"It is appropriate that this meeting be held in the spring, for at this time of the year we witness the rebirth of nature," Col. Schweizer commented in his talk.

Logistic Technology
"This Depot, with its mission of supporting our military forces, has been overcome by the consolidation of depots, advances in logistical technology and some other factors. Its rebirth will enable it to continue serving the nation and region."

"My wife, one child and I arrived here in 1944 not too long after the Depot was organized. Actually, the place looks about the same now as then. Of course, the new barracks were built in the late 1940s, the

officers' quarters about the same time and the brick quarters in the 1950s.

"The golf course came in the 1960s, thanks to an agreement between Chuck Waters, the commanding officer, and me."

Role in Emergencies
"As an Army officer my hat is always to the Red Cross. It serves as the impartial advisor to the military on a difficult problem—what to do about a family emergency."

"Very few people have any idea of how much time goes into this important work. Most soldiers don't write regularly; anxious parents write to the Red Cross, which crosses the seas to the soldier's unit. "Any company commander can attest to the efficiency of the Red Cross in this problem. Many a soldier and his family have turned to the Red Cross

and received help, and, they appreciate it."

He was introduced by William F. Winter, editor of the Press-Record and chapter chairman, who presided.

Smith Men Chairman
Officers elected for 1971-72 were Joe W. Smith, chairman; Col. David Fox, vice chairman; Mrs. Maxine Dunham, secretary; and Carl Thornberry, treasurer. Smith is the Southwestern Bell Telephone Co. manager here.

Winter presented to W. Milton Worthen, a member of the Granite City park board throughout its history, a Red Cross appreciation certificate awarded to the park district.

The park board has made the Wilson Park pool available for Red Cross swimming instruction offered free to all applicants.

McColegan Honored
Michael Jesse, Red Cross water safety chairman, presented a similar certificate to Fred McColegan recognizing service as an aquatic instructor.

Melvin L. Gillette, past chapter chairman, presented an award to Winter on his retirement as chairman.

Paul Mabrey, a Wilson Grade School teacher and musical director of Niedringhaus Methodist Church, and Miss Debbie Hightower, an SU-SW music major, presented vocal duets, accompanied at the piano by Ronald Ebrecht, a Granite City High School senior.

Capt. John P. Jones, Depot chaplain, offered prayers. There was silent prayer for Mr. F. Winter, Red Cross chapter director, who died Thursday, 13 elected to board.

Those named to three-year terms on the chapter board were Smith, Fox, Mrs. Dunham, Harold T. Fisk, Mrs. Louise Jenson, Edw. R. Rial, August Sacadat, Mrs. Ruby Winters, Mrs. Jo Meyer and Mrs. Valerie Evers. Ray Kaegel and Phillip A. Theis were elected to two-year unexpired terms and Marvin Vandette to a one-year term.

Henry D. Karandjich and Charles Reimers, charter members of the board of directors, were introduced.

The gathering of 70 included representatives of other Quad-City agencies.

2 Charged in Fight With St. Louis Police
Two Granite City men were arrested and charged as suspected of resisting arrest and peace disturbance after an altercation with officers in the Central District police station in St. Louis at 10:45 p.m. Friday.

Police said Samuel Amisch, 25, of 2006 Madison Ave., and Clarence Moore, 29, of 2909 S. Drive, entered the station to make bond for an unnamed friend who was accused of having been in a peace disturbance during the Cardinal baseball game at Busch Memorial Stadium.

Police said the two men used obscene and abusive language and became involved in a scuffle with police. Amisch was taken to City Hospital 1, St. Louis, for treatment of cuts and a fractured left finger.

Install Officers Of Wilson PTA

Pat Scanlan was installed president of Wilson School PTA in ceremonies conducted by Ted Vrenick, principal, last week at the school followed by a musical program presented by the students.

Other newly elected officers are Mrs. Muriel Beza, vice-president; Mrs. Alice Neve, secretary; and Mrs. Beverly Broas, treasurer.

Tom Tetloff, retiring president, opened the meeting and led the pledge of allegiance. The PTA prayer was given by Mrs. Alice Neve.

Reports submitted at the final meeting of this year were from Mrs. Neve, secretary; Mrs. Muriel Beza, treasurer; and Mrs. Dorothy Baker, ways and means chairman.

Mrs. Baker gave the results of a taco sale held this month. Mrs. Virginia Oram, sixth grade teacher, represented the teachers and students of the sixth grades, thanked the PTA for its gift of \$80 used for a field trip to the St. Louis Arch, Busch Memorial stadium and the Hall of Fame.

A music program was presented by the students of the third, fourth, fifth and sixth grades under the direction of Paul Mabry, vocal music instructor. He selected songs from stage and screen hits of "Mary Poppins," "You're a Good Man, Charlie Brown," and "Oliver" for the children's chorus.

Refreshments were served in the cafeteria at the conclusion of the program.

CIRCLE FOUR CONCLUDES SEASON'S ACTIVITIES

Activities for the season were brought to a close last week by Circle Four of First United Presbyterian Church with an evening meeting at the church presided over by Mrs. Barbara Landes, chairman.

Mrs. Lee Thorne was hostess to the group and the Fellowship of the Least Coin service was led by Mrs. Betty Rea. Mrs. Arline Fox and Mrs. Helen Matson had the Year Book of Prayer and the lesson for the day.

Reports were heard and the members were reminded of the Association meeting to be held Tuesday at the church when Circle Four will serve as hostess group.

Concert at Grigsby JHS Honors Students

Special groups from the Vocal Music Department at Grigsby Junior High School will present selections from the annual Chorus and Girls' Glee Club, "Spring Concert" at a meeting of Grigsby PTA unit, set for 7:30 p.m. today in the school cafeteria.

This evening's presentation will spotlight the talents of soloists and members of the octet and sextet groups who captured awards in the 1970-71 state music contest. The youthful artists

also performed last week at a year-end vocal concert, as part of the school's Freshman Mixed Chorus and Girls' Glee Club. Mrs. Laura Dames, director, advised.

For the annual concert, a spring setting was created in the Grigsby cafeteria by Miss Kathryn Krale and art student members of the octet and sextet groups who captured awards in the 1970-71 state music contest. The youthful artists

gowned alike in long dresses, reflecting various shades of pink, green, blue, gold, lilac and purple. The frocks were fashioned by the young people themselves for the occasion, the music director noted.

Selections offered in last week's program ranged from "The Lord is My Shepherd," a traditional hymn, to Burt Bacharach's, "This Guy's in Love." Varied Selections

Other numbers included "High Up the Mountain," a spiritual; "He's Gone Away," a southern mountain song; Simon and Garfunkel's "Scarborough Fair"; "Greensleeves," an old English ballad; "The Water is Wide," a folk song; "With a Voice of Singing," by Shaw; "Kyrle Eleison," by Lotti; and "Lift Thine Eyes," by Mendelssohn.

Two Grigsby students who won state soloist honors, Jeannie Timmons and Glenn Falter, sang "The Ash Grove" and "Tally Ho," respectively. The pair was accompanied by Robert Dames, husband of the Grigsby vocal music director, and David Krohn.

Members of the state award winning octet, David Luckert, Glenn Falter, Janet Morlen, Leanne Phillips, sang "Simple Gifts," a Shaker hymn tune; and sextet members, Pam Chilcutt, Terri Dickerson, Marsha

Children Not Necessary Factor to Happy Marriage, Educator States

Is your marriage happy? If so, why? If not, why not?

Surprisingly, scientific studies conducted during the 1960's have revealed that (1) children do not detract from, rather than contribute to, marital happiness and (2) marriages often may be stable in spite of "low happiness."

These are the conclusions of Mary W. Hicks, Southern Illinois University family life specialist in the School of Home Economics, who has made a survey of more than 100 research studies published during the decade of the '60's by social scientists across the nation.

"It is popularly assumed that children and marital happiness go together and are interrelated," Mrs. Hicks said.

"Research in the sixties did not support this assumption. One study in fact produced evidence that the more children per year of marriage, the less satisfactory the marital experience."

In contrast to earlier theories that "happy marriages are stable marriages and, conversely, unhappy marriages are unstable," Mrs. Hicks found that although relatively few problems disappear or grow infrequent, often these factors "become irritants with which people learn to live."

"The factors which make a marriage brittle or durable are infinitely more complicated than 'just being happy,' she added.

Protestant Welfare Group Meets

Total expenditures by the Protestant Welfare Association in April amounted to \$415, board members learned at a meeting of the agency's monthly meeting held last month at St. John United Baptist Church.

The Rev. Vernon Covington, pastor of the host church, gave a short devotional and Lennie Crocker, president, was in charge of the business session.

Mrs. Marie Whittle, office secretary, submitted the monthly expenditure report which listed expenses of \$189 for food; \$89, utilities; \$88, rent; \$79, new shoes and clothing; and \$8, miscellaneous items.

In addition, Mrs. Whittle stated, 13 orders of clothing and shoes were issued from the Protestant Welfare storehouse, with the items having an estimated value of \$108. Household furnishings also were issued, she said.

A thank you note was read from Mrs. Ida Hanfelder who has been ailing and is now residing with her daughter in Fairview Heights. The letter writer has served as a volunteer worker for the agency for many years.

Those named were June Scherger, commander, Ruth Nunes, executive committee-woman, Winnie Kelly, Wilma Dorch and Lillian Hefferty. Alternates will be Marylee Busler, Bert Kichler, Marie King and Alta Carpenter. The next meeting will be held June 2.

A special meeting of the DAV Auxiliary was conducted last week to elect delegates who will attend the state convention in July.

Those named were June Scherger, commander, Ruth Nunes, executive committee-woman, Winnie Kelly, Wilma Dorch and Lillian Hefferty. Alternates will be Marylee Busler, Bert Kichler, Marie King and Alta Carpenter. The next meeting will be held June 2.

Officer guards were presented to those who direct student projects in the vocal department including Freshman Mixed Chorus officers—Dwight Lewis, president; Kim Thompson, vice-president; Leanne Phillips, secretary-treasurer; Cindy Arnold and Rick Bohnenstiel, librarians; Debbie Pelek, publicity chairman; Janet Morlen and John Harding, social chairman; and Randa Harper and Glenn Falter, sergeant-at-arms.

Girls Glee Club officers receiving honors were Donna Voss, president; Sharon Rose, vice-president; Linda Rinehart, secretary-treasurer; Barb Hill and Vicki Littlejohn, librarians; Geri Bloss, publicity; Kathy Whelan, social chairman; and Lisa Novosel and Barb Siebert, sergeant-at-arms.

Other special awards were presented to individuals contributing to projects throughout the year by the Grigsby vocal students. Among the latter group were Jeff Luehmann, Vickie Littlejohn, Kim Hodges, Mary Ann Williamson, Geri Bloss, Barb Siebert, Cindy Arnold and Rudy Pyle.

MEMORIAL SERVICES BY LEGION COUNCIL

The Madison-Bond Counties Council American Legion and the Auxiliary met in Warden, Ill., last week. The meetings were conducted by Commander Robert Summers of Granite City and President Dorothy Hinson of Venice-Madison Unit 307.

Following the business meetings, memorial services were held for deceased members of posts and units in the county groups.

The Auxiliary conducted its judging of poppy posters for the county. Winners were from the Highland and New Douglas schools.

A lunch was served by the Worden Auxiliary. There were 75 in attendance, and those attending from this area were Miss Hinson, Mrs. Faye Smith, Mrs. Beulah Sizemore and Kenneth Hinson. Next monthly meeting will be held in East Alton.

Survey Rates GC School Lunch Facilities Good

Caterina facilities and equipment in Granite City schools are in fine condition, sanitation practices are satisfactory and the percentage of participation is good, according to a recent evaluation of the district's food services operations by the Illinois Office of Public Instruction.

Results of the evaluation survey, made by Mrs. Venice Workman of the state school Food Service Section, have been relayed to the Granite City school board in a letter from Ray Suddarth, Section director.

The director noted the reviewing procedure indicated that a lunchroom operations in the local district are in compliance with the Illinois School Lunch Program Agreement. The U. S. Department of Agriculture reference materials and donated commodities are being used advantageously, he said.

"Persons should be commended for their efforts in behalf of the students," Suddarth commented. "Menus indicate adequate knowledge of the type A lunch requirements. It is recommended, however, that a supplementary unit manager study the Food Buying Guide more closely to insure that sufficient quantities are being prepared."

The state office also commended school district administrators for the "fine cooperation received from your staff."

Blake Rutland, 58, Dies in Fall At Home

Blake Rutland, 58, of 2124 Lee Ave., died at 1:50 a.m. Saturday, the result of a skull fracture he suffered when he fell down the basement stairs at his home at 4:10 p.m. Friday.

House Damaged After Tractor Strikes Auto

A house was damaged after a bucket on an Illinois Power Co. tractor operated by Roger C. Smith, 2407 Cleveland Blvd., struck the right side of a car driven by Miss Youlanda G. Beaver, 21 of Rural Route Two, at 10:35 a.m. Friday at 2124 Lee Ave.

The car hit a utility pole and the southwest corner of the home of Richard A. Patrick, 2135 Lee, causing it in. A parked truck blocked the view of both persons involved though a flagman was on hand. Miss Beaver suffered minor injuries.

Upward Trend at Laclede Expected to Continue

Paul B. Akin, president of Laclede Steel Co. told the annual stockholders meeting Thursday in St. Louis that the company has experienced some rough times recently, but operations have improved steadily during the past year and he expects the trend to continue.

Mr. Akin, addressing company stockholders said, "We made a small profit in the first quarter this year compared with a \$2.3 million loss in the first quarter last year. This improvement was made in spite of higher scrap costs."

Scrap costs for Laclede in the first quarter of 1971 were almost \$1 per ton more for delivered scrap than in the first quarter of 1970.

Akin attributed the company's improvement to four primary factors: (1) better prices for Laclede products, (2) a more profitable product mix, (3) lower operating costs and (4) greater volume.

Although the prices for scrap

have started to decrease, Mr. Akin said he does not expect the price of scrap to drop to 1969 levels in the foreseeable future.

He also pointed out other problems facing Laclede that must be dealt with in the coming year which include an anticipated \$4 million dollar outlay to revise the dust collection system at Laclede's Electric Melt Shop at Alton, Illinois.

Akin noted that the proposed changes in emission standards established by the Illinois Environmental Protection Agency will require a reduction in emissions to about 40%, and, unlike the present regulations, will require dust collection during all phases of the electric furnace operations including periods required to charge and tap the furnaces.

He explained that a consultant was employed in early 1970 and directed to design a system that would do a 100% job of controlling emissions from the Electric Melt Shop.

"On the basis of this engineering study, Laclede submitted an Installation Permit Application to the state Environmental Protection Agency on March 22, 1971. Shortly after we submitted this application, one of the firms that we had requested to bid on the proposed equipment pointed out a design error in the layout. This error was corrected, and we submitted an amendment to our original permit application to the Environmental Protection Agency."

Preparing Bids
At present, five firms that build pollution control equipment are preparing bids for the installation. Laclede expects to have the bids by mid-June, 1971, and estimates that the installation of the new equipment will take about fifteen months.

Mr. Akin stated, "We do not plan to borrow additional funds to finance this equipment, but . . . many other improvements we would like to make will have to be postponed."

The Laclede president also commented on the steel industry labor negotiations which will take place this summer. "The position of the steel industry is obvious enough. The industry can't afford the last labor cost increase to say nothing of what is about to be forced upon them. . . . We can only hope that the steel price increase that follows will be enough to offset the added costs."

Mr. Akin expressed satisfaction with the increased tonnages and improved costs achieved in Laclede's operations. "Our Melt Shop and Blooming Mill are producing large tonnages at excellent costs. Our finishing mills are continuing to show cost improvements. Our new mill (14" Mill) is producing satisfactory tonnages of reinforcing bars and increasing amounts of merchant bar products."

Akin stated that the company had set new records in tons shipped in 1971. There was a 22% increase over the previous record in March and an increase of 14.9% over the record in April.

Should Earn \$1 Million
Looking to the future, Mr. Akin estimated that if volume holds, Laclede should earn \$1 million dollars in the first half and the same amount in the third quarter of 1971. As far as the fourth quarter and the first quarter of '72 he said, "These periods include our seasonal low volume months. How adversely we will be affected depends largely upon the economy."

The Laclede president cautioned stockholders not to look for miraculous earnings. He pointed out that the likelihood of a dramatic reduction in scrap prices or of spectacular increase in prices for Laclede products was, in his opinion, nil. However, he said, "I do look for earnings improvement over the next few years."

Hit-and-Run Accident
The left rear of the parked auto of Laura B. Christian, 2021 Harris St., Madison, was struck by a hit-and-run driver at 8:50 p.m. Friday at W. 22nd Street and Dewey Avenue.

FAMILY STEAK HOUSE on Nameoki Road at the Nameoki Village and American Village shopping centers. Its formal opening is set for tomorrow, and television actor George Lindsey will be in this area both Tuesday and Wednesday.

'Goober' to Open His Steak House Here Tomorrow

Actor George Lindsey, better known as Goober on the television series "Mayberry RFD," is coming here to formally open the new George Lindsey's Family Steak House in the Nameoki-American Village Shopping Center. The Granite City location is the first of several of the popular-priced steak houses planned for the St. Louis area.

At 11:30 a.m. tomorrow, the mayors of the Quad-Cities will help him cut the ribbon to officially open the new enterprise, starting two full days of public appearances in the metropolitan area.

The public is being invited to attend the opening, which also will feature "The Country Boys," a five-piece combo which has toured extensively with Lindsey.

Lindsey will be available for autographs and interviews at the restaurant after the ribbon ceremony and on other occasions tomorrow and Wednesday. A reception is planned Wednesday at the Elks Club.

As Goober, the co-star of "Mayberry RFD," the down-home, goofy, happy-go-lucky character has become one of the most popular in all of television.

Lindsey also has emerged as a sophisticated and polished performer and recording star. His first album, "Gooner Sings," was so successful that the recording company rushed his second one, "96 Miles to Bakersfield" into immediate release.

His recognition as a humorist has made him the demand of such talk shows as the Merv Griffin, Tonight and Mike Douglas Shows.

As a popular country singer and humorist, he has guest starred on the Jonathan Winters show, Kraft Music Hall, Laugh-In and Love-American Style, and has made visits to the Glen Campbell show as a guest star. But every Monday night, he's just plain Goober.

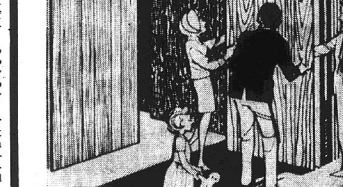

At the same time, he is a scholar. He attended Florence State College on a football scholarship but soon discovered its theatrical group and found himself spending more time on the stage than on the field. After college, he served in the Air Force for three years and then was a basketball and baseball coach at Hazel Green High School in Huntsville, Ala.

He later moved to New York, where he studied dramatics at the American Theatre Wing, did graduate work at Hunter College and studied voice. He also developed a comedy routine and made his TV debut on the Jack Paar show in 1961.

His Broadway debut was as the comedy lead in the musical, "All American," and from this he received his first movie role in "Ensign Pulver." He has performed at the "Grand Ole Opry" and at many rodeos. Married and the father of two

children, he lives in San Fernando Valley, Calif. Manager of the new restaurant here is Marion Andrews of St. Ann, Mo. Steaks are featured and are served with Texas toast, baked potato and salad for \$1.39 to \$2.79, while children's steaks with Texas toast, French fries and gelatin cost 99 cents. Sandwiches also are offered.

Roy E. Krupp of Bi-State Heads Illinois Bus Assn.

Roy E. Krupp, vice-president of Transit Services Corporation, the management firm for Bi-State Transit System of the St. Louis-Illinois Metropolitan Area, was elected president of the Illinois Bus Association at the association's annual meeting held in Springfield, Ill.

Other officers and directors elected at the meeting were: Harold E. Poslusny, vice president, administrative procedure, South Suburban Safety Lines, Inc., Harvey, Ill., vice president; James M. Winning, the association's general counsel, Springfield, Ill., secretary-treasurer; and Directors Ernest Ferguson, West Towns Bus Co., Oak Park, Ill.; Melvin J. Joergensen, Greyhound Lines-East, Chicago; David L. Olson, Evanston Bus Co., Evanston, Ill.; Peter Sole, Bee Line Transit Corp., Danville, Ill.; and R. W. Rosenbach, National Seating Co., Clarendon Hills, Ill.

Mr. Krupp has spent the major portion of his business career in the transit industry. He was president and general manager of the former Brown Motor Lines and Citizens Coach Co., Alton, immediately prior to joining Transit Services Corporation in 1963 when Bi-State

Transit System was formed to serve the St. Louis-Illinois Metropolitan complex.

Before his association with these companies, Mr. Krupp was employed by the Belleville-St. Louis Coach Co. where he served in various supervisory capacities. His background also includes experience in cost engineering and in other phases of highway development in Illinois. A native of Illinois, he went to public schools in Belleville, and later attended the University of West Virginia.

Trades Council Votes Reiske Endorsement

Delegates to the Tri-City Trades and Labor Council last week extended a vote of confidence to Edwin Reiske, trades council president, for his policies and conduct on the Madison County Mental Health (708) Board.

The endorsement was approved unanimously by delegates of 27 union locals attending the regular council meet. The council delegates also announced that any taxpayer who wishes may appear at Reiske's office and receive personally from Reiske an accounting of his stewardship on the 708 mental health board.

The council honored Al Ward, a delegate of Building and Service Employees Union Local 96, for his 30 years service on the board of the Salvation Army. A certificate in recognition of his service was presented to Ward.

Nomination of officers is scheduled in the June 16 meeting of the trades council, with an election to follow during the regular meeting in July.

Muhammad Ali to Speak at SIU-SW

Muhammad Ali will be coming to Southern Illinois University-Southwestern, Tuesday, June 1, to speak at 8 p.m. in Meridian Ballroom of the University Center. He also will be available to talk with interested persons at a reception at 5 p.m. in the International Room of the Center.

Ali will explain some of his beliefs as a Black Muslim and give his account of the Frazier fight in his speech, "The Purpose of Life."

Tickets for his talk go on sale May 24 for students, faculty and staff at 50 cents per ticket. Advance tickets for the public will go on sale May 26 at \$1. Tickets purchased at the door will be 75 cents for students, faculty and staff, and \$1.25 for the public. They may be purchased at the ticket office in the University Center.

Ali's visit is being sponsored by the Black Students Association and the current events committee of the University Center Board of the Student Activities Office at SIU-SW.

BIBLE CLASS MEETS

The Phoebe Bible class held a monthly meeting last week at the home of Mrs. Lorna Hutson, 2833 Palmer Ave., with nine members present. The pro-

gram opened with singing the hymn, "Trust and Obey," and Mrs. Elizabeth Knight gave the opening prayer.

Mrs. Viola Jones gave the devotional and president, Mrs. Mae Williams, presided. Reports were given by the secretary, Mrs. Hutson, and the treasurer, Mrs. Gussie Hestman. Mrs. Beatrice Henry re-

ported the class has sent 12 cards to the birthday observers, sick, and the bereaved.

The class decided to continue with the prayer meetings in the homes of the sick and shut-ins. Roll call was answered with Scripture verses and two poems were read, "A Child is a King," by Mrs. Henry, and "Over the Hills of Tomorrow," by Mrs. Cora Cruse.

The ladies sang "Nothing but the Blood," to close the program and Mrs. Stella Rushing

led the closing prayer. The next meeting will be held June 15. The hostess served confections to those mentioned and Mrs. Lola Miller.

KOFFEE KLATCHERS

The Koffee Klatchers Social club held its May meeting in the home of Mrs. Pat Eaton, 2409 East 26th St., last week and plans were made for a picnic at Wilson Park June 21 with Mrs. Mary Rita Ahlers as host-

ess. Meat will be provided and each member will bring a covered dish.

Secretary-treasurer, Mrs. Joan Yell, gave a report on other summer activities were discussed. It was decided the picnic will be held at Wilson Park June 21. The PTA prayer was read by Mrs. Janet Wilson.

Dr. Harold Tossaint gave the prayer and showing color slides and films of his tour of Russia. He spent two weeks last year touring with a group of medical doctors. A question period followed his talk.

Mrs. Frances Holt, secretary, and Mrs. Florence Petrovich, treasurer, gave reports. Announcement was made of the annual picnic Friday, May 28, when school will be dismissed at 11:30 a.m. The event will be held at Wilson Park, with Jerry Donley in charge. Games will be conducted by home room mothers, and the lunch menu will include hot dogs and barbecue.

Installation of the officers for next year was led by Mrs. Mary Fehrman, past president. Installed were Mrs. Petrovich, president; William Snedecor, vice-president; Mrs. Dorothy Winter, secretary; and Mrs. Sharon Purkey, treasurer. They were presented pink carnation corsages and a boutonniere.

Mrs. Metcalf presented her report to the new president, who awarded a past president pin to Mrs. Metcalf and also an engraved cup in appreciation of her work during the past year. Refreshments were served by kindergarten room mothers. It was the final meeting of the school year.

Others attending were Mrs. Vivian Davis, Mrs. Barbara Blackburn and daughter Stephanie, Mrs. Mary Frynitzky, Mrs. Lorraine Gilmore and a guest, Mrs. Winnie Stotz, Stotz mother-in-law, who is visiting here from Mascoutah.

GIRL SCOUTS LEARN NEW CAMP SKILLS

Camp skills were taught at the weekly meeting of Junior Girl Scout Troop 29 Friday evening at Webster School; leaders are Mrs. Eva Chogatz and Mrs. Pat Eaton. They were assisted by Mrs. Donna Lobdell who will resume the leadership in September.

The Nurtles Patrol conducted the opening ceremony with the pledge of allegiance, promise and singing "America." Two scouts were invested, Janette Childers and Debbie Weber. Mrs. Eaton and Mrs. Lobdell presided at a court of honor with the patrol leaders and assistants as they made caper charts for a camping trip June 4-6 at Camp Harrison. Officers participating were Robin Barnes, Janette Childers, Gayle Norris, Mandie Walker, Donnie Smith, Priscilla Long and Belinda Sipes.

Other plans made for the camp out were a Christmas at Midnight on Friday, a backwards day on Saturday, and a barbecue on Sunday. The troop presented Mrs. Jack Norris with a gift for serving on the troop committee. Plans were made for a visit to Shaleys June 1 at Central City.

Mrs. Arabogast took a group of the scouts and menus were made while the remainder of the troop were taught how to make bedrolls. The Monkeys Patrol led the closing with Taps. Others present were Melissa Alfaro, Marilyn Boer, Connie Blackburn, Bonnie Bauer, Danni Conaway, Julie Grider, Sally Hand, Lorie Hill, Ira Olysis, Cindy Parsons, Julie Ponder, Lisa Thompson, Nancy Watkins, Lisa Thompson, Toni Young, Pam Allen and Carol Weber.

"QUEEN OF WEEK" Mrs. Margaret Harper crowned Mrs. Emma Peters "queen of the week" during the regular meeting of the Will Show 'Em club, a chapter of Taps, as they attended at the home of Mrs. Donna Brimm, 2621 Missouri Ave., Thursday evening and the reigning queen was presented with a silver tiara and a basket of fruit.

Twelve members repeated the pledge of allegiance and the club pledge and standing in a friendship circle, sang the club sunshine song. Mrs. Katherine Smith, weight recorder, corresponded with the losses and gains.

The leader, Mrs. Bernice Gergen, presided at the business session and Mrs. Jackie Schulte read a revival of the by-laws. Mrs. Gergen announced that Mr. Harper was queen of the month and she was presented with prizes. Final arrangements were made for the annual banquet held at the Burns cafeteria Saturday.

A report was given by the banner committee, Mrs. Brimm, Mrs. Kathy Wallace and Mrs. Judy Greer. Three ideas have been submitted thus far. Hostess for the social hour was Miss Gloria Harper and prizes were won by Mrs.

Tour of Russia Frohardt Topic

Mrs. Sarah Metcalf, president, called last week's meeting of the Frohardt School PTA to order and Treasurer of Troop 981 presented the colors. Accompanying the girls were Mrs. Joyce Tossaint and Mrs. Carolyn Smith. The PTA prayer was read by Mrs. Janet Wilson.

Dr. Harold Tossaint gave the prayer and showing color slides and films of his tour of Russia. He spent two weeks last year touring with a group of medical doctors. A question period followed his talk.

Miss Pat Reader Is Engaged

Announcement has just been made of the engagement of Miss Pat Reader, a daughter of Mr. and Mrs. Andrew Bauza, 2412 Edison Ave., and Sgt. Dennis R. Harder, whose parents are Mr. and Mrs. Don Criswell, 2127 Lincoln Ave.

The bride is a graduating senior at the Granite City High School. Her fiancé also attended the local high school. Wedding plans are indefinite.

JUNIOR GOLF CLUB HOLDS MEETING

The STARS, junior organization of the Granite City Republican Women's Club, met Friday afternoon in the home of their sponsor, Mrs. Vernice Wortman.

Danella DePew, president, was in charge and five officers responded to roll call. A guest, Vicki Williams, was introduced by Diane Harris.

The club voted to have a lemonade stand at the yard sale to be given Saturday, June 12, at the Wortman home 2460 Washington Ave., by the Republican Women's Club.

The topic for discussion at the meeting was "Local units of Government," and a question and answer period followed with prizes for the winners. They were Diane Harris, Danella DePew and Vicki Williams.

Tammie DePew, who is making a field trip to New Salem Park and Springfield next week was asked to give a report of the trip at the June 25 meeting.

Miss Patricia Gooch Wed Saturday at St. John

In an evening ceremony Saturday at St. John United Church of Christ on Nameoki Road, Miss Patricia Anne Gooch became the bride of Fred D. San Soucie.

The Rev. Paul Surber officiated at the 7 o'clock service and a reception was held afterward in the church basement. The former Miss Gooch is a daughter of Mr. and Mrs. John W. Gooch Jr., 5217 Lakeview Drive. Mr. San Soucie's parents are Mr. and Mrs. Fred R. San Soucie, 2004 Richmond Ave. A white cotton, long-sleeved, boned Empire gown was worn by Saturday's bride. The bodice had an oval neckline of champagne and short puffed sleeves of lace. The skirt of polyester organza flowed into a Watteau train bordered with lace and held in place with a large bow at the waist. The bride carried a colonial bouquet of white flowers centered with yellow flowers.

Mrs. Pamela Fisher was matron of honor and Miss Louisa Gooch, a sister of the bride, was bridesmaid. Both wore gowns of lavender dotted with white. The bridesmaids wore white with Empire waists outlined with deep purple ribbon and held colonial bouquets of white carnations surrounding purple violets and purple streamers. Their headpieces were dotted with white bows and veils.

John Nenniger was best man and Roger Stagner served as groomsmen. Two ushers, Michael Gooch and Michael San Soucie, brothers of the bride and groom, seated the guests. Mrs. Barbara San Soucie presided over the guest book at the reception. Also assisting was Mrs. Sondra Meyer.

After a honeymoon in the Missouri Ozarks, the newlyweds will live in the Village Green Mobile Home Park. Both are graduates of the Granite City High School.

ENGAGED, Miss Jo Lynn Sherman, whose betrothal to Richard G. Meyer was announced.

Booklets Offer Aid to Consumer

Could you use advice on the selection and care of automobile tires or on selecting and financing a home? Do you know how to avoid being misled by unscrupulous advertising when buying "bargain" freezer meats?

This information, and much more equally valuable to consumers, is now available in the low-cost booklets listed in the Federal Government's new program to share more product information with consumers. Never before have existing consumer product publications produced by various Federal agencies been listed in one convenient index.

Free copies of the index may be obtained by writing to the Consumer Product Information Distribution Center, Washington, D. C. 20407.

Developed by GSA, the index was developed by the General Services Administration's new Consumer Product Information Coordinating Center with the cooperation of the President's Office of Consumer Affairs.

Included in the index are titles of 23 publications already stocked at Federal Information Centers across the nation. All 21 publications may be obtained by filling out and mailing the order blank back of the index. As new publications are issued, they will be included in subsequent editions.

The subjects in the 15-page index range from A to Z—from appliances to zippers. The publications cover many areas, including budget shopping, building, buying and financing houses, home repairs and improvements and health.

Among the most popular booklets are Money-Saving Man Disks, Fish and Shellfish Over the Coals, Selecting and Financing a Home, Roses for the Home, Fibers and Fabrics, Buying Your Home Sewing Machine and Tires—Their Selection and Care.

The Consumer Product Information Coordinating Center is responsible for encouraging the development and publication of meaningful and relevant product information accumulated as a by-product of the government's research, development and procurement activities. It also is charged with promoting greater public awareness of existing Federal publications of interest to consumers.

Historic Homes Viewed in Program

Mrs. Francis O. Burk of Edwardsville presented a program on "historic houses" at a meeting of the Friends of the Madison County Historical Museum Thursday, illustrating their talk with colored slides of the interiors and exteriors of several homes.

The buildings described were chiefly those located in Massachusetts and included the homes of John Adams, Ralph Waldo Emerson, the Pickering family, who occupied their homes for ten generations, Nathaniel Hawthorne, John Winthrop and others.

Also shown was the "House of Seven Gables" in Salem, the setting of Hawthorne's novel,

and the Custom House where he worked for many years. The Wayside Inn of Longfellow fame, and the Adams home where the family lived for four generations.

In her discussion of the interiors of old houses, Mrs. Burk gave an explanation of various periods of furniture and described their characteristics, using charts which had drawings of furniture periods to add to her presentation.

Included among the slides were views of the local museum and old homes the members had visited on their tour.

Ladies Coterie Concludes Season With Spring Party, Installation

The annual spring party and installation of officers of the Ladies Coterie was held Thursday at the Rose Bowl restaurant.

A 1 o'clock luncheon was served at attractively arranged tables and the invocation was

given by Mrs. Fred Haug.

Mrs. Clarence Boettiger, president, introduced the presidents of the various decorated clubs who were guests for the day. They were Miss Beatrice Cooley, Bay View Reading Club; Mrs. Jack Solberg, Minerva Women's Club; and Mrs. Floyd Henley, Lesche Literary Club.

Also presented was Mrs. Wilson Schmissner, who installed the following staff for 1971-72: Mrs. Walter Johnson, president; Mrs. Mark Pickett, vice-president; Mrs. Ray Horn, secretary; Mrs. Marvin Eddington, assistant secretary; and Mrs. E. H. Theis, treasurer.

Mrs. Schmissner is a past president of the 22nd District, Illinois Federation of Women's Club and state chairman of Community Education and Library Service for the district.

New committee chairmen named at the meeting were Mrs. Pickett, relief and welfare; Mrs. Boettiger, program; Mrs. David Friedman, entertainment; Mrs. Eddington, floral; Mrs. Dawson Wade, finance; Mrs. William Lierman, cordance; Mrs. B. C. Miller and Mrs. Theis, budget; Mrs. Haug, parliamentary; and Mrs. Charles Kohl, scholarships.

A communication was read concerning a music scholarship the club will present to Miss Donna Cockrell, a high school student, at Recognition Day ceremonies Wednesday.

Other guests at Thursday's party were Mesdames Emil Mueller, Emmet Carraher, Delbert McKinnis, LeVander Larson, Frank Kraus, A. F. Buente, Lyndell Hageman and Earl Varun.

Members present, beside those mentioned, were Mesdames T. C. Aufderheide, W. G. Cooley, George Filcoff, L. A. Garner, Henry George, E. A. Karandjoff, Irvin Rodemeyer and Fred Werner.

The regular schedule of the club will be resumed early in the autumn.

Miss Tenekot Is Honored by PTA

Officers for 1971-72 were installed as the final meeting of the school year was held last week at Nameoki School. Girl Scouts of Junior Troop 575, led by Mrs. Judy Ozier and Mrs. Betty Tesier, conducted the flag ceremony. Caller was Joyce Haldean, flag bearer was Diana Bunch and color guards were Pam Tesier, Shiner, Gail Sipole. The scouts led the pledge of allegiance and Miss Mary Tenekot read the PTA prayer.

The president, Mrs. Katie Wilson, presided and reports were given by Mrs. Arlene Haldean and Joel Tester.

Mrs. Wilson reported on committees and their work and announced that a unit membership of 476 has been reached.

Parents were reminded of the picnic, held last week at Wilson Park. Each student was given a ticket for a free hot dog, soda and ice cream, and the afternoon was spent under the supervision of room mothers, who directed games.

Service certificates for their PTA work over the past years were presented to Mrs. Haldean, Mrs. Joanne Huelkoetter, Mrs. Darlene Glasgow and Tester.

State convention delegates, Mrs. Bernice Skinner, Mrs. Joyce Tracy and Mrs. Virginia Apperson, reported on the Chicago event.

Donald Kopp, principal, spoke on work being done to correct the drainage problem in front of the school. He announced a meeting Tuesday, May 25, at 7:30 p.m. in the cafeteria on restricting of the Nameoki School area.

Kopp installed Mrs. Apperson, president; Mrs. Tracy, vice-president and program chairman; Mrs. Barbara Butler, secretary; Mrs. Darlene Glasgow, treasurer; Mrs. Alice Selph, treasurer.

Miss Mary Tenekot, fifth grade teacher at Nameoki, who is retiring this year, was honored with a special program by students and the PTA. Mrs. Farrow introduced the students from Miss Tenekot's home room. They sang "Mary Is a Grand Old Name," with the vocal music instructor, Mrs. Alfred Hedger, accompanying on the piano.

The program was "The Four Lives of Mary"—"Mary the Friend," depicted in a poem read by Mrs. Phyllis Brusati, with the students singing; and "Mary the Teacher," Mrs. Farrow reading a poem, "I'd Like My Teacher to Be," introduced by Fred Noeth, principal of Washington School, where Miss Tenekot formerly taught. Noeth and Kopp gave brief talks.

A former student, Dalea, who is a student at the superintendent of schools, spoke and Linda Vaughn, a present student of Miss Tenekot, presented her with a gift from the class.

"An Apple for the Teacher" was sung and all the students then filed past Miss Tenekot, handing her red construction paper apples with each student's message to his teacher. She also was given a decorated cake.

Mrs. Farrow introduced Miss Neil Gibson, a former teacher at Nameoki, who presented "Mary, the Artist." She displayed and described several charcoal, watercolor, and oil paintings by the retiring teacher. An original poem by Mrs. Thelma Chapman was read by Mrs. Farrow.

"Mary the Hillybilly" was featured, with Mrs. Farrow in a ruffled dress and bonnet and Miss Gibson will be moving to West Plains, Mo.

Mrs. Farrow's third grade class, holding letter cards spelling out "Katie Wilson," gave a program honoring her. Songs written by Mrs. Farrow were sung and each child presented Mrs. Wilson with a red rose.

Mrs. Apperson gave a past president pin to Mrs. Wilson. The room prize was won by Miss Tenekot's class and refreshments were served by kindergarten room mothers.

Graff-Jenkins Vows Recited on Friday

Miss Marilyn Anne Jenkins, a daughter of Mr. and Mrs. Hubert Jenkins of Edwardsville, former of Granite City, became the bride of Charles Arthur Graff, a son of Mr. and Mrs. Graff of Koromo, Ind., Friday evening at the Dewey Avenue United Methodist Church.

The Rev. Raymond Ciofielder performed the 7:30 ceremony in a setting of lighted candles in candelabra and arrangements of white flowers on the altar.

Miss Sandra Potillo accompanied Mrs. Louise Potillo at the organ as she sang the Lord's Prayer; and "O Perfect Love," and at the piano in "Love Story."

Given in marriage by her father, the bride wore a pure white organza gown fashioned with an empire bodice of allusion lace, a high neckline and long sleeves with lace motifs. Lace encircled the waistline etched with intricate designs and motifs of lace formed a front panel and appliqued the back. A full sweep train fell from the waist.

Forward lace petals with pearls and waxed flowers secured the bride's tiered illusion veil and she carried a cascade bouquet of white roses, daisies and miniature "mums centered with a corsage.

The bride's sister, Miss Frances Jenkins, was honor attendant, and Mrs. Carol Dione of Wyoming, Mich., served as bridesmaid. Both wore floor-length gowns of navy blue silk linen, sleeveless, and with mandarin collars and empire waists embroidered with spring flowers. Matching bows were worn in their hair and they carried nosegays of spring blossoms.

Jerry Graff, Fort Wayne, Ind., was best man for his brother, and Ray Jenkins, a brother of the bride, served as groomsmen. Thomas Matlock and James Matlock, uncles of the bride, and Donald Sexton seated the guests.

Michelle Burlison, flower girl, wore a long dress of white lace with a high waist and full sleeves trimmed with navy blue ribbon. She carried a miniature nosegay of spring flowers. Rodney Jones, the brides cousin, carried the rings.

For her daughter's wedding, Mrs. Jenkins wore an aqua dress trimmed with lace. Mrs. Graff, the bridegroom's mother, chose a deep pink dress with lace trim and deep collar and sleeves. Best men had corsages of white orchids.

Miss Laurie Ann Sexton lighted a reception was held in the church basement. Miss Ellen Miller was in charge of the

guest book and others assisting were Misses Kathryn Jenkins, Maria Noonan, Donna Sexton, and Mesdames Laura Christian, Shirley Lane, Helen Miller, Gladys Potillo, Geneva Coleman, Doris Sexton and Violet Miller.

A second ceremony, an early morning Bal-Hai service, was held near the Art Museum in Forest Park. The groom is a member of that faith.

Mrs. Diana Sue Egelhoff, Mrs. Kathryn Langlois, and Donald Sufko read selected material during the ceremony. Witnesses were Mrs. Alberta Shulte and R. A. McCord.

After a visit to the Jewel Box in Forest Park, a breakfast was served at the Cheshire Inn in Clayton. The ceremony and breakfast was attended by about 25 guests.

The bride is a graduate of the Edwardsville High School and a St. Louis business college. She is presently employed by the U. S. Army in St. Louis. The bridegroom graduated from Kokomo, Ind., schools and attended Washburn College. He has served in the U. S. Air Force and is now employed as a computer programmer in St. Louis.

After a honeymoon in Virginia, the newlyweds will live in Ferguson, Mo.

Viola Recital by Mary Jackson

Miss Mary Alice Jackson of Granite City will give her senior viola recital at SIU-SSU at 8:15 p.m. Thursday in Lowley Library auditorium.

She will be assisted by Robert L. Harris, Trenton, on the piano, and Mary England, University City, on the viola.

Included on the program will be Bach's Brandenburg Concerto No. 6 in B-flat Major, Fantasy for Viola and Piano by Ralph Matthews and Sonata in F Minor, Opus 120, No. 1, by Brahms.

Miss Jackson is giving her recital in partial fulfillment of the requirements for the bachelor of music degree, which she will receive in June.

Karen Earhart, soprano, of Collinsville will give her junior voice recital at SIU-SSU Thursday at 5 p.m. in the Lowley Library auditorium. Accompanied at the piano by Betty Ruth Tomfohrde, she will sing works of Gustav Mahler, Debussy, Michael Head, Samuel Barber and Verdi.

Mrs. Carol Hildebrand and Mrs. Arlene Fox, Grand lecturers of New Hope and Granite chapter, respectively, were escorted and introduced, as were two special surprise guests, Mrs. Bess Weiss and Max Merz Sr., who were presented with gifts and seated in the East.

Others escorted and introduced were 12 grand chapter appointments, three worthy matrons and a worthy patron and two past worthy matrons.

Approximately 55 members and guests enjoyed a social hour and refreshments after the meeting. Mrs. Donna Woodard and Al Woodard are worthy matron and patron of the chapter. The next meeting will be held June 4.

Parkview School Original Musical

Mrs. Elizabeth Briggs, kindergarten teacher at Parkview School, was installed as PTA president for the 1971-72 year Thursday night. Also installed by Dr. Benjamin T. Rose were the vice-president, Mrs. Pat Gunter; recording secretary, Mrs. Joann Conreux; corresponding secretary, Mrs. Betty Coleman; and treasurer for the second term, Mrs. Charlotte Root.

Rose presented the retiring president, Bob Hildebrand, with a past president pin. Hildebrand thanked all for their cooperation during the year.

Mrs. Gunter, chairman of the annual picnic, reported that workers are still needed and those able to assist may call her at 451-4713. The event will begin at 11:15 a.m. Tuesday, May 25. Students will receive five free tickets from the PTA and free snacks. Hamburgers will be available and booths will be set up in Wurlen Park adjoining the school grounds.

Parents were reminded of a special meeting for all whose children ride the school buses. It will be held Tuesday night at the school. Parents are being urged to contact their neighborhood school to register kindergarten children for the fall.

Entertainment was an original musical program, "Books That Live," written entirely by students of Mrs. Janet Wilson's and Mrs. Carol Gendron's language arts classes. The two directed the costumed production.

Program books were distributed. Included were plays and songs related to "Peter Pan," "Paul Bunyan," "Huckleberry Finn," "Sound of Music" and "Mary Poppins." Readings were entitled "Abraham Lincoln," "On the Trail" and "Statue of Liberty."

The room award was won by Mrs. Sandra DeMoulin's class, and the evening's prize was presented to Charles A. Buchheit. Refreshments were served, led by Mrs. Joanna Spencer, room mother chairman, and second grade room mothers, Mrs. Donna McIlroy, Mrs. Jeanne Hornberger and Mrs. Halbrook.

Jr. Service to Honor Mothers

Plans were made for a mother-daughter banquet at the May meeting of the Granite City Junior Service Club last week at the Civil Defense building, with the newly-installed president, Mrs. Carol Tritschuh, presiding.

Approval was given for eight charity cases and for the new yearbook. Mrs. Tritschuh announced that a pot luck dinner will be held June 21 at the home of Mrs. Francisca Rawden, 2 Shirwin Drive, Mrs. Wilma Edgington gave a report on a diagnostic clinic held Wednesday at Niedringhaus Methodist Church for pre-school children with eye and ear problems.

The banquet will be held at the officers' club of the Army Depot tonight. Plans were made to participate in the Shriner's parade in June. Mrs. Mary Lou Worthen will be in charge of the banquet and Mrs. Linda Vesce, the parade.

The chairman, Mrs. Carolyn Thoenburg, gave a summary of a federation meeting held at the Missouri Athletic Club, with the Collinsville service club as host. In September, the Granite City club will host the federation and Mrs. Rena James will be in charge of a workshop.

Miss Flora Mae Lensing was appointed as chairman of The Colonnades Birthday Club for the 1971-72 term. She announced that the club will meet there May 25.

Plans were made to attend the Granite City Jubilee in August. A discussion was held on sending a child to camp.

FIVE GENERATIONS of the family of Mrs. Mary Miller, mother of Mrs. E. B. Nelson, 2608 E. 24th St., seated on right. Beside her is her great-granddaughter, Mrs. Dave (Carla Clover) Hawthorne of Normal, Ill., holding her month-old daughter, Laura Elizabeth Hawthorne. Standing, left to right, are Mrs. Carl (Nina Nelson) Clover, a granddaughter, and Mrs. Nelson. Mr. and Mrs. Clover, now living in Greenville, Ill., are natives of Granite City. Mrs. Miller, the oldest native born resident of Glen Carbon, is now a part-time resident of Granite City. The baby's paternal great-grandmother is Mrs. Marvel Clover of Granite City.

Mrs. Loretta Krevovich and a home-made article from Miss Juana Bell was given to Mrs. Wrothen will be co-chairman of the annual fashion show and refreshments were and they reported on progress.

Mrs. Mullins Heads Auxiliary

New officers were elected and arrangements made for a joint installation ceremony were made by the Eagles Auxiliary of Aerie 1126 at the hall last week.

Officers for the coming year are: junior past president, Mrs. Vera Hornyak; president, Mrs. Nancy Mullins; vice-president, Mrs. Brenda Rickert; conductress, Mrs. Helen Frazier; chaplain, Mrs. Dolores Sanders; secretary, Mrs. Marge Hall; treasurer, Mrs. Leona Delaloy; trustees, Mrs. Lucy Williams and Mrs. Stella Miller; inside guard, Mrs. Opal Cain; and outside guard, Mrs. Theresa Danco.

Delegates named for the state convention June 10-13 at Peoria are the junior past president, new president and Mrs. Hall.

The meeting opened with the ritual met, attired in new uniforms, conducting an initiation ceremony for Mrs. Rose Doll, Mrs. Dolores Kirkover and Mrs. Frances Rice. The team is preparing for competition at the state convention.

Mrs. Hall gave a report on proceeds of the kitchen fund from the Illinois bowling tournament held locally. Mrs. Delaloy gave a financial statement and Mrs. Bernice Johnson reported on ways and means.

Mrs. Dolores Klesh was selected as chairman of a joint installation June 6. Officers assisting for the auxiliary will be the president, Mrs. Ann Knapik, and conductress, Mrs. Florida Batson.

The Aerie prepared and served the ladies with dinner honoring mothers; Bill Frazier was in charge. Mrs. Hornyak

Alpha Xi Honors Mothers, Installs

Baldwin: meeting the challenge of energy for the 70's

This new power plant at Baldwin, Illinois, is a major resource for our customers in the 1970's. Baldwin's 605,000-kilowatt capacity (plus other additions to our system) increased Illinois Power's generating capacity by 55% in 1970.

A second 605,000-kilowatt unit is being built at Baldwin. This unit is scheduled for operation in 1973.

These new energy supplies were not created overnight. The Baldwin plant took nearly 14 years from initial planning to being "on the line" last summer. Similar long-range planning is always underway at Illinois Power Company.

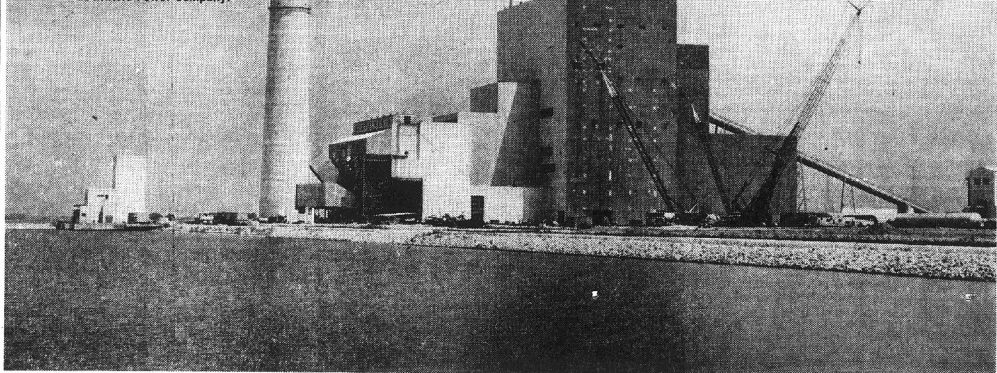

PLANNED TO BE A GOOD NEIGHBOR

Along with planning to meet our customers' growing energy needs goes our concern for the environment we all share. Planning at Baldwin stressed "ecology" long before the term was generally known. The plant has its own supply of cooling water from a 2,000-acre, man-made lake. No warmed water is returned to the Kaskaskia

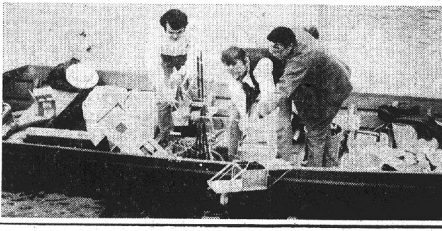

River which provides makeup water for the cooling pond.

The most modern precipitation system eliminates 99% of all fly ash from the coal consumed at Baldwin. The lake is a year 'round habitat for water fowl, and the region around Baldwin has become a haven for wild life.

Baldwin is meeting the challenge of energy for the 70's... and doing it as a good neighbor in its environment.

Ecology Study. This research team from Southern Illinois University is making an extensive study of marine life of the 2,000-acre, man-made lake at Baldwin.

SECTION 1.1
NOTICE TO CONTRACTORS
Sanitary Sewer Improvements
Lola Williams Subdivision
Upper Brooklyn, Venice, Illinois
The Mayor and City Council of the City of Venice, Illinois, will receive sealed bids for the construction of sanitary sewer improvements to serve "Lola Williams Subdivision and Upper Brooklyn" until 2:00 P.M., CST, on Tuesday, June 22, 1971, in the offices of the City Clerk in the City Hall at Broadway and Klein Streets in Venice, Illinois at which the bidding will be publicly opened and read.
The work will consist of the construction of a 24" diameter 8" sanitary sewer including manholes and appurtenances with outlets to existing sewers in the Village of Brooklyn and City of Venice, Illinois.
Instructions to Bidders, Form of Proposal, Contract and Contract Bond, Plans and Specifications may be examined at the following:
City Hall, Broadway and Klein Streets, Venice, Illinois.
Copies may be obtained at the offices of Sheppard, Hays & Schwaab, Inc., Consulting Engineers, 2100 State Street, Granite City, Illinois upon deposit of \$20.00. The deposit will be refunded upon return of the plans and specifications in good condition within five (5) days after the opening of the bids.
A bid bond, cashiers check, or a certified check must be payable to the order of the City of Venice, Illinois in the amount of ten percent (10%) of the gross amount of the bid, must be deposited by each bidder with his bid as guarantee that he will, within ten (10) days thereafter, upon receipt of written notice of award, execute such contract and furnish a satisfactory contract bond. Upon failure to do so, he shall forfeit the deposit as a penalty, but he shall be entitled to the return of the deposit, and acceptance of the bid will be contingent upon the fulfillment of this requirement. The successful bidder will be required to pay to all laborers, workmen and mechanics performing work under contract, not less than the current prevailing rate of wage has been determined by the Mayor and City Council of the City of Venice, Illinois.

The successful bidder shall comply with all provisions of Executive Order No. 11246 of September 24, 1965 and the rules, regulations and orders of the Secretary of Labor.
No bidder may withdraw his bid after the time specified in actual date of opening thereof.
The City of Venice, Illinois reserves the right to reject any or all bids and to determine what it deems to be the best bid for the improvements.
By Order of the Mayor and City Council of the City of Venice, Illinois
William M. Ebersold, City Clerk 34-5-24

NOTICE OF HEARING ON PROPOSED ZONING CHANGE
NOTICE IS HEREBY GIVEN
TO ALL PARTIES CONCERNED, that pursuant to Ordinance No. 1755 of the City of Granite City, Illinois, the City Planning Commission will hold a public hearing in the City Council Room in the City Hall of said City of Granite City, Illinois, at Granite City, Illinois, at the hour of 1:15 CST on the 10th day of June, 1971, at which meeting it will consider a petition for the amendment of Ordinance No. 1755, (being the Zoning Ordinance of said City), as it affects the following described real estate, to-wit:
A tract of land in U.S. Survey 594, Claim 1885 described as follows:
Beginning at the intersection of the southerly line of the 24" diameter 8" sanitary sewer and the westerly right-of-way line of F. A. R. 151, as same appears in Plat Book 34 on Page 78 of Madison County Records; thence North 68° 26' 30" West 1/4 Section 26, Township 36 North of Range 15 East along said easterly line of F. A. R. 151, a distance of 350.04 feet to the easterly right-of-way of the Chouteau, Nameoki and Illinois Drainage and Sewerage District Property; thence North 15° 17' 40" East along said easterly

right-of-way a distance of 745.34 feet to the southerly line of Lot 305 in "Westmoor Place" as same appears in Plat Book 14 on Page 28 of Madison County Records; thence South 67° 35' East along said southerly line a distance of 213.38 feet to its intersection with above mentioned F. A. R. 151; thence around a curve to the left having a radius of 2009.86 feet, and a chord bearing South 5° 04' West an arc distance of 772.0 feet to the point of beginning; containing 4.328 acres. Said amendment would change the zoning classification of the real estate immediately above-described from an R-3 District to a C-2 and Special Use District.
BOYD PRESLEY, Chairman, City Plan Commission, Granite City, Illinois 34-5-24

SPECIAL TOWN MEETING
NOTICE IS HEREBY GIVEN
To the legal voters, residents of the Town of NAMEOKI in the County of MADISON and State of Illinois, that a Special Town Meeting of said Town will be held on Thursday, June 17, 1971 at the hour of 6:30 o'clock P.M. at the Town Hall, 4250 Highway 162, to consider the following:
The purpose of said meeting is to consider an Amended Road Budget and Appropriation Ordinance for 1971-1972 before the Town Board of Auditors. A copy of the Amended Road Budget and Appropriation Ordinance for 1971-1972 will be on display on or about June 17, 1971 at Town Hall, 4250 Highway 162; to amend the Annual Road Budget and Appropriation Ordinance for the year 1970-1971 to provide a fiscal year from September 1, 1970 to March 31, 1971.
Dated April 30, 1971.
DOUGLAS TEETER, Town Clerk 34-5-24

The bids will be returned within ten (10) days after the opening of the bids, the remaining checks or bid bonds will be returned within thirty (30) days from the date on which the bids were opened and read.
The successful bidder will be required to pay to all laborers, workmen and mechanics performing work under contract, not less than the current prevailing rate of wage has been determined by the Mayor and City Council of the City of Venice, Illinois.

The successful bidder shall comply with all provisions of Executive Order No. 11246 of September 24, 1965 and the rules, regulations and orders of the Secretary of Labor.
No bidder may withdraw his bid after the time specified in actual date of opening thereof.
The City of Venice, Illinois reserves the right to reject any or all bids and to determine what it deems to be the best bid for the improvements.
By Order of the Mayor and City Council of the City of Venice, Illinois
William M. Ebersold, City Clerk 34-5-24

Law to Split Levee Dist. Diverted to Subcommittee

A legislative measure that would permit creation of a Quad-City Levee and Sanitary District and divorce the area from the present East Side Levee and Sanitary District has been referred to a subcommittee by the House Executive Committee following a hearing last week at Springfield.

State Representative Horace Calvo (D-Granite City) who introduced the bill said the subcommittee will be appointed by the chairman of the Executive Committee. The committee decided to conduct a more thorough hearing into the matter after Frank Summers, East St. Louis, attorney for the East Side Levee and Sanitary District, testified against the proposal.

Summers was accompanied at the hearing by Morris Campbell, East St. Louis, president of the levee district, who did not testify.

William "Mike" Ebersoldt of Venice, Madison county member of the levee district board, testified in favor of the division of the present levee board territory that now lies within both Madison and St. Clair counties.

Further study of the legislative proposal by a subcommittee will mean that there will be no action on the bill until

after the summer recess of the General Assembly and resumption of the session in early September, Calvo said.

The bill, if approved and signed by the governor, would permit withdrawal of the Quad-City area from the present bi-county levee district and creation of a separate board of trustees and separate tax levy for operation of a levee district entirely within the Quad-City area.

\$50 Diners Hear Bayh Praise Lt. Gov. Simon

A possible 1972 Presidential candidate, U. S. Senator Birch Bayh (D, Indian), boosted the candidacy of a potential 1972 gubernatorial candidate, Illinois Lt. Gov. Paul Simon, at a \$50-a-plate dinner Saturday night in Belleville. Hundreds of Madison County residents attended and Vasil Efimoff of Granite City was the dinner chairman.

"From his days as a newspaper publisher fighting organized crime, Paul has demonstrated the kind of leadership that this country needs more of," Sen. Bayh said.

Simon operated the Troy newspaper in Madison County and later owned other weekly publications in Illinois. He served this district in the Illinois House and Senate before being elected lieutenant governor in 1968.

Urges Problem Solving Sen. Bayh called for "leadership such as Paul has shown, the kind that doesn't wait for an official title before taking on the wrongs of the community—leadership that recognizes the problems and uses whatever means are available to fight it."

Unless America obtains the right leadership, it cannot continue setting a world example of progress along the road to freedom, the speaker asserted. "We need the kind of leadership that sees today's gains as tools for greater gains tomorrow—and today's problems as opportunities for creative action."

Sen. Bayh has not announced his candidacy but said he will not discourage talk of him making a bid for the Democratic nomination for president next year.

Prefers Governor Race Lt. Gov. Simon held to his previous statement that he wants to run for office next year and that, if he had to choose today, would seek the office of governor. He has not ruled out running for the U. S. Senate if party leaders back someone else for governor.

The guest speaker said Saturday that the nation should

guard against people and issues which divide citizens and which seek to replace amity with hatred, cooperation with conflict and trust with suspicion.

"We need to inspire the non-partisan voices throughout our land, speaking out against divisiveness, speaking up for those things that make us great, remembering always that a nation that lives for what it hates rather than what it loves is sick."

Restore Confidence "We must maintain the health of our system," Sen. Bayh said.

Bayh said, "We must revive our commitment to move on toward the goals of progress and prosperity—and restore confidence in our system by striving for an America that fully measures up to the promise that you and I believe it holds out for every man and woman, whoever they may be."

Citing \$125 billion spent in the Vietnam war, the senator urged that the national investment be directed to public service, to building schools, child care centers, hospitals and highways.

Three-Auto Accident

The autos of Frederick A. Bathon, 720 Washington Ave., Madison, and Carrie B. Murphy, 1010 College Ave., Madison, were damaged when a hit-and-run motorist pulled out of a parking space in the 1200 block of Madison Ave., at 4:35 p.m. Friday and struck Murphy's northbound auto. Murphy's auto reportedly swerved after the impact into the right hand northbound lane and collided with the third car.

Gave Wrong Address Residents at 2215 Edison Ave. reported today that there is no such address as 2215a Edison Ave. which was listed last week as his address by a youth arrested during a series of demonstrations at the Granite City hall. The family said no one involved in the demonstrations lives at that address.

SIU-SW Physical Education Building Funds Still Sought

A preview of what Southern Illinois University's four campuses hope to get in building funds during the 1972-73 fiscal year was outlined Friday to the SIU board of trustees as it met at the Southwestern campus.

The preliminary budget summary for SIU at Carbondale, SIU-SW the Springfield Medical Campus and the Vocational Technical Institute totals \$46,016,100. No action was taken on the project list, which must be analyzed by the board's own staff before final approval.

Top priority item sought for SIU at Carbondale is an addition to the campus heating plant. It would include a new steam-generating boiler and air pollution control equipment.

At the top of the local campus list are planning and completion funds for a physical education building. A request for money to start the building is in the SIU budget to be voted on by the legislature this session.

Planning and equipment funds are listed as major 1972-73 requests for the Springfield Medical Campus.

Money to complete two buildings already budgeted is given top priority by the Vocational-Technical Institute. They are a classroom-office building and a central power plant.

Weather Shell at MRF Site

The board authorized expenditure of up to \$75,000 for the erection of a permanent weather shell over the stage area at the multi-purpose events site on the SIU-SW campus.

The site is used for many university events and has been the home of the Mississippi River Festival.

Trustees adopted a resolution terminating repairs to the site essential in order to protect facilities from weather damage.

Half of the repair funds will come from the Student Welfare and Recreation Building, as requested earlier by the SIU-SW Student Senate, and half will come from other university funds.

House is Conference Center

University House, completed on the Carbondale campus by the SIU Foundation with a \$1 million gift from philanthropist W. Clement Stone, was given a new name and university ownership.

By resolution of the SIU board, title was returned from the Foundation to the university and the name was changed to "SIU Conference Center."

Trustee Ivan Elliott Jr. reported to the board on his meeting with the SIU Foundation

board and its approval of revised plans for use of the building.

The upper floor will be used for housing distinguished visitors, Elliott said, while the lower floor will be used for a conference center. A large room will hold up to 90 persons, while smaller rooms will be used for small discussion groups.

"The Center will be available not only for use by internal student and faculty groups," Elliott said, "but also for use in the university's ever-expanding community service role."

Graduate Study Seminars

"It should become an especially useful center for continuing post graduation education of professional and business leaders in their quest to keep up with the many changes in their areas."

Elliott said Stone concurred in the proposed plan for use of the building.

In other university business, the board of trustees approved a resolution increasing the Extension Service tuition change from \$6 to \$10 per quarter hour of credit, effective Sept. 15, approved a revised publication of rules and procedures governing procurement and awarding for university purchases; and clarified procedures for placing subject matter on the agenda for consideration by trustees.
